October 2009

1<sup>st</sup> Edition

Our 7<sup>th</sup> Annual Labor Day Competition was another huge success for the club. We had over 150 skaters participate in our competition. Having a competition requires many tireless hours of service, donations, and preparation. Thank you to the many wonderful skaters, family members, and friends that volunteered their services and talents to make our competition a success. A very special thanks goes out to the members of the FEFSC Board. They prepare months in advance for the Annual Labor Day Competition. To date, the Board has received positive comments and thank you letters from judges, coaches, and participants. We may be a relatively young organization, but we have established ourselves as a club that holds a top notch competition! Congratulations to all

members that participated in our competition!

The Board of Directors would like to welcome Coach Richard Callahan, his staff, and skaters to our rink! We are very excited to have them join our rink family!

Our Annual Club Halloween Party will be held on Saturday, October 17<sup>th</sup> at 5pm in the Large Party Room. The skating will follow at 6pm until 7pm in the Main Arena. Please come in costume and enjoy a fun filled evening with fellow club friends and families. Please RSVP to Robin Gentile as soon as possible.

Our Christmas Show date has finally been set! Our show will be on Sunday December 6<sup>th</sup>. As you may know, the show includes club members and Learn to Skate members. You must be a member of the club by October 1, 2009 in order to be eligible to participate

in the club routine in the show. Keep a look out for more information. Robin Gentile will keep you posted with emails as details become available.

Please remember to notify Robin Gentile if you have email address changes, mailing address or telephone number changes. The Board does its best to keep all members up to date on upcoming events and offers. So far this year the FEFSC club has enjoyed discounted tickets at events such as Cirque du soleil, Disney on Ice, and Stars on Ice. Keep checking your emails for upcoming news, events, and special offers!

Good Luck to Tarah Kayne and Clair Bazzlegette who will be competing in the qualifying rounds of Regionals in Rockville, Maryland this month. Skate Great!!!!

try to have your child try on an outfit from another club member.

If you are creative and would like to donate your time and earn volunteer hours, we are looking for a volunteer to keep our FEFSC Club Bulletin Boards up to date. If you have photos of our skaters that you would like to submit for the Boards or our FEFSC Website, please see Robin Gentile. One of the goals this year is to get all skating members of the club together to shoot a new FEFSC Club Photo.

Our next testing session is tentatively scheduled for Presidents Day Weekend. Once we have the exact date and times we will inform club members and coaching staff.

We will be ordering club outfits in the very near future. The forms are located in the recreation office. Please fill out all information, attach a check, and send to Robin Gentile. If you have questions about sizing, you can try the pro shop to see if they have your child's size and if not we will

If you have pictures, suggestions, or information you would like to share in the next issue of the Newsletter, please forward to Rachel Barnell at [rpcondo1@embarqmail.com](mailto:rpcondo1@embarqmail.com).
